HEALTHCARE SUPPORT OCCUPATIONS

About Healthcare Support Occupations (HSO)

Unlock the gateway to your dream career with our comprehensive program designed to catapult you into entry-level positions, providing invaluable support to healthcare professionals! Immerse yourself in a dynamic learning experience that blends classroom knowledge with hands-on, supervised clinical training at local hospitals, clinics, and cutting-edge medical offices.

Picture yourself gaining a competitive edge through a unique curriculum that not only imparts essential skills but also hones your job readiness and introduces fundamental computer skills. Your journey kicks off with five weeks of intensive classroom sessions, laying a robust foundation of knowledge. Then, brace yourself for an exciting twist – an opportunity to put your learning into action with hands-on training at a clinical site, offering real-world job experience that sets you apart.

This isn't just a program; it's your steppingstone to a fulfilling career in healthcare. Join us, and let's turn your aspirations into achievements!
